PRENZLAUER ALLEE WALK | Heavenly bodies on the body politic

Bohemians and Stasi informants never were closer. For decades the artist quarter was just a stone's throw away from the surveillance headquarters for all of Berlin. And today there is still much to see and discover in this creative, kid-friendly neighborhood.

THE PROJECT

www.ringbahn.com takes a new look at the past and present of Berlin's Ringbahn, shedding light on technical, architectural, and everyday aspects. For those in the know, but especially for those just getting on board!
